

Holiday Teacher Appreciation Gifts

As you are planning your classroom teacher gifts, please consider making a donation in your classroom teacher's name to the Miller School Playground Fund. Any donation, either from the class as a whole or from a single student, is accepted and appreciated.

A special acknowledgement will be given to your teachers to notify them of your holiday gift. The teacher's acknowledgement will not include the amount of the contribution.

Your tax-deductible donation will be used to help fund the Miller Playground renovations, an effort that will benefit our school, teachers and community.

For more information, please visit our website at MillerSchoolPlayground.wordpress.com or send an email to fmillerplayground@gmail.com. Thank you!
